THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

INTRODUCTION

The Board of Directors, who are the charity trustees for the purposes of the Charities Act 2011, present their Annual Report for the year ended 31 December 2022 under the Companies Act 2006 and the Charities Act 2011, together with the financial statements for the year. The Board confirms that the latter comply with the requirements of the Companies Act 2006, the Company's Memorandum and Articles of Association and the Charities SORP (FRS102).

PURPOSES AND AIMS

The charity's purposes and aims as set out in the Company's Memorandum of Association are to aid and improve for the public benefit the condition of those living with Multiple Sclerosis (MS).

MS is a neurological condition that is unpredictable, incurable and widely variable. With many symptoms including, but not limited to, loss of limb control (which may require a wheelchair/mobility aid), balance problems, fatigue (all-consuming tiredness), memory problems, pain, blurred vision, depression and incontinence. Its impact is often huge. Its complex nature means that specialist support is essential to manage symptoms and improve quality of life.

The charity exists to support people with Multiple Sclerosis and to ease the impact it has on their, and their loved ones', lives.

STRATEGIES TO ACHIEVE OUR AIMS

The charity seeks to achieve these aims by

- providing a range of treatments and therapies
- providing an understanding environment where people can support and learn from each other
- making up-to-date information available and shared from reputable sources.

The charity supports people living across Berkshire and the neighbouring counties of Oxfordshire, Hampshire, Surrey and Buckinghamshire.

Without the Berkshire MS Therapy Centre the availability of treatments and therapies would be limited within the local area, in some cases non-existent.

Ensuring the work delivers the charity's aims

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's purposes and aims, and when planning future activities. In particular how planned activities will contribute to the achievement of the objectives and aims.

Principal activities

The principal activities of the charity comprises three broad elements:

- Core treatments and services including physiotherapy and exercise classes, oxygen therapy, footcare and counselling.
- Complementary treatments including massage, acupuncture, spinal reflexology and reiki.
- A supportive network for members

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

ACHIEVEMENTS AND PERFORMANCE 2022

Achievement of the aims and activities is measured by the range of treatments, services and support offered, the number of treatments provided and feedback from recipients.

Covid continued to influence Centre operations in 2022. Covid-secure measures placed restrictions on the numbers who could participate in individual treatments in the early part of the year. Also several staff and volunteers were affected by covid, impacting on their availability. Hybrid services were developed by the physiotherapy team – and classes were streamed online with a few people attending in person.

As the year progressed more in-person services were provided, and the Centre became busier.

In the event, the Centre managed to exceed pre-pandemic treatments and 2022 was the busiest year for the Centre to date with 10,927 treatments provided (2021: 10,528) supporting 336 people (2021: 324).

In 2020 and 2021 the charity had undertaken three broad priorities in response to the covid pandemic. These continued throughout 2022, and a fourth objective was added - 'safely returning to face-to-face services'. These priorities were as follows:

1 Keeping people as active as possible:

- Providing exercise sessions in person
- Providing online classes with MS specialists including Yoga, Pilates and upper limb classes.
- Introducing Tai Chi online.

Without the years of various physiotherapy I've done at the Centre, I am sure my mobility would be virtually non-existent. The fact that is ongoing is a major plus because anything from the NHS is only for a short time.' Member feedback, 2022

Just 9% feel confident about accessing exercise without the Centre's support.

94% of those attending oxygen treatment report it benefits their fatigue

2 Improve mental health:

- Continuing to provide counselling services online and by telephone.
- Running online relaxation and mindfulness group classes.
- Running an ongoing relaxation class.

92% of those attending Yoga or Tai Chi report it helps lower mood/anxiety and 100% report it helps with general wellbeing.

'I have had several counselling sessions at the Centre and they are life changing. Thank you for everything'
Member feedback, 2022

3 Reduce loneliness:

- Reopening the social area of the charity.
- Increased mailings.

88% of those surveyed agreed the Centre was a place where they are understood and feel included.

100% would recommend the Centre to other people with MS.

'The Centre helped me realise that there are lots of people like me. At times you can feel you are the only person to have MS.' Member feedback, 2022

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

4 Returning to face-to-face services safely:

- Increase the in-person sessions available for oxygen treatment, physiotherapy, footcare, counselling and a range of complementary therapies.
- Maximise 'Zoom Room' online exercise sessions for those not yet ready for face-to-face treatment,
- Continue Covid secure procedures, subject to regular review.

'The Centre is invaluable to my life with MS, I wouldn't like to try to cope without it. The people there - staff, volunteers and members - are all brilliant and have taught me so much. They have made it possible for me to cope and helped in every way. It's a magical place if you have MS.' Member Quote, 2022.

FUNDRAISING

The Centre is dependent on fundraising, donations, volunteers and grants to provide its vital services. Fundraising was monitored by the trustees throughout the year to ensure that fundraising objectives were achieved.

Fundraising continued to be a challenge in 2022 following the adverse impact of 2020 and 2021. But the patience and the willingness to adapt has allowed the charity to succeed in another very difficult year.

The trustees would like to thank everyone who supported the charity in 2022; the success of the year is a result of everyone who joined our services, donated, fundraised and volunteered. The trustees also would like to thank and congratulate the charity's staff, expertly led by Centre Manager Pippa, for their hard work and dedication.

The trustees continued to meet monthly (previously quarterly) in response to the circumstances and to provide support.

The charity saw key personnel leave the organisation in 2021. A decision was taken at that time not to recruit due to financial concerns.

In 2022, however, after reviewing staffing needs the charity recruited two temporary part-time posts: a Community and Events Fundraiser and a Marketing and Engagement Officer. The charity welcomed Kim Williams and Claire Frew to the roles and after a successful trial the posts became permanent. The Centre also sought to recruit a physiotherapist, but was unsuccessful due to a competitive labour market.

Contribution of volunteers

The charity is incredibly fortunate to have the support of over 100 regular volunteers who support the day-to-day running of the Centre and the numerous events/collections across the year. They bring an invaluable amount of experience, enthusiasm and positivity to the charity. The trustees are very grateful for all who generously provide their time and skills for the benefit of the charity. In 2022 many volunteers were able to return as covid restrictions eased.

FINANCIAL REVIEW

During the pandemic the charity had taken steps to reduce expenditure. There was a reduction in Centre opening hours, and the trustee board took advantage of the flexi-furlough scheme. However, over 2022 activity at the Centre has gradually returned.

Income from public collections and fundraising events have been affected, but there are signs of recovery. The charity finished the year with a broadly balanced budget. The overall loss was £8,484.

The charity is confident of its financial survival, continuing to prioritise a mixed fundraising programme offering security and lower risk, together with focusing on the development of plans for longer term sustainability. The charity has developed a diverse fundraising mix and in 2022 this included donations from individuals and companies, several trusts, fundraising events and local community groups.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees wish to thank each individual and organisation who supported the charity in 2022 and particularly want to express our thanks to:

- Berkshire Community Foundation
- Berkshire Masonic Charity
- Buchanan Programme & Mark Frew
- CAF Resilience Fund
- Centrica
- Co-op Local Community Fund
- Douglas Arter Foundation
- Garfield Weston Foundation
- Gerald Palmer Eling Trust
- Good Exchange
- Greenham Trust
- Harrison Solicitors
- James Cowper Kreston Foundation
- Louis Baylis (Maidenhead Advertiser) Charitable Trust
- Miss Lawrence Trust
- National Lottery Community Fund
- Orr Mactintosh Foundation
- Peter Bilton Charity
- Postcode Society Trust
- Prince Philip Trust Fund
- Reading St Laurence Charitable Trust
- Shanly Foundation
- The Light Fund
- The Syder Foundation
- Woodroffe Benton Foundation

Total income for the year was £501,493 (2021: 373,955).

Total expenditure for the year was £509,977 (2021: £443,082).

The designated fund balance at the end of 2022 was £71,101 (2021: £71,101) and represents the unspent balance of a significant legacy received in 2016. The legacy was allocated to support initiatives to benefit the Centre over the longer term. During the year legacies received totalled £9 (2021: £6)

Reserves policy

The Trustees' ongoing reserves policy is to maintain free reserves (unrestricted net current assets) at between six and twelve months of operating expenditure. At the beginning of 2022 free reserves, based on 2022 budgeted expenditure (cash flow basis), represented approximately 6.1 months running costs.

At the end of 2022 free reserves, based on the 2023 budgeted expenditure (cash flow basis), should be between £273,218 and £546,437. At December 2022 free reserves stood at £213,200, representing approximately 4.7 months running costs.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

	2022	2021
Total assets	1,037,353	1,045,837
Less: Restricted Fund	(343,187)	(314,925)
Designated Funds	(71,101)	(71,101)
Tangible Fixed Assets held		
in		
unrestricted funds	(409,865)	(447,554)
	<u>213,200</u>	<u>212,257</u>

Funds at bank at the end of 2022 stood at £448,696 (end of 2021: £435,749).

Whilst the current free reserves are below the policy level, the trustees feel confident that the charity is in a strong enough position due to the restricted reserves to maintain the current levels of services.

PLANS FOR FUTURE PERIODS

Whilst Covid is more stable, the 'cost of living' situation has the potential to affect our income and expenditure. The charity will monitor these external challenges and adjust our plans accordingly.

With all MS support, consistency is key and one of the main goals will be maintaining the services offered - both online and in person.

Additionally the charity will:

- launch a new organisational strategy, supported by a new fundraising and communications programme
- improve outcome measurements, to monitor the effectiveness of the charity's services
- recruit new trustees to our Board
- develop a new website and communications materials
- explore ways to make the Centre building 'greener' and manage running costs
- increase staffing, investing in fundraising, member engagement and physiotherapy.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Berkshire Multiple Sclerosis Therapy Centre Limited (the charity) is a company limited by guarantee (company number 2270807) and is a registered charity (charity number 800419).

The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Organisational Structure

The charity is managed by the Trustee Management Committee comprising the company directors and meets at least quarterly. The committee sets the strategic direction and policy of the charity, agrees an annual budget, and monitors performance against the budget.

All members of the Trustee Management Committee give their time voluntarily. Committee members may benefit from the charity's MS services on the same terms as other beneficiaries.

Certain functional responsibilities (eg personnel, IT, therapies, fundraising) have been delegated to sub committees, who report to the Trustee Management Committee on their activities.

Day to day management of the charity is delegated to the Centre Manager – including supervision of the staff and ensuring that the team continues to develop skills and working arrangements in line with good practice and ensuring the Centre premises are properly serviced and maintained.

The Physiotherapy Manager is responsible for the direction and supervision of the physiotherapy team, the maintenance of recognized treatment standards, evaluating new treatment opportunities and ongoing training.

The Fundraising Manager is responsible for managing relationships with potential financial supporters and promoting fundraising event initiatives.

Salaries are reviewed annually, generally with reference to the pay scales of the National Joint Council for Local Government Services.

The trustees consider that the Key Management personnel are the trustees together with the Centre Manager, the Physiotherapy Manager and the Fundraising Manager.

Recruitment and Appointment of Management Committee

Trustee Management Committee members (trustees) must be ordinary members of the company. They are appointed by election at each Annual General Meeting of the charity, provided that in advance of the meeting they have been proposed by another ordinary member and are willing to be elected.

The officers of the Company – the Chairman, Treasurer and Secretary – are Trustee Management Committee members and are also appointed by election at each Annual General Meeting. The committee may appoint any of their number during the year to fill a casual vacancy among the officers. Such officers hold office until the next following Annual General Meeting

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Trustee Induction and Training

New trustees are briefed on the objectives and activities of the charity and the environment within which it operates.

The policies and procedures of the charity have been documented. These are updated on a cyclical basis. All trustees are required to familiarise themselves with the charity's policies and procedures.

Risk Management

The trustees have conducted a review of the risks to which the charity is exposed, and assessed their relative significance. These have been recorded within the policies and procedures documentation. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces.

The principal risks to the charity are considered to be changes in the national economy and the impact on fundraising and operating costs; internal financial controls; quality of service delivery; and the health and safety of staff, volunteers, clients and visitors to the Centre.

As regards changes in the economic climate, there is the risk of adverse fluctuations in the level of financial resources raised each year and changes to operating costs (labour, utilities and support costs). These would place a financial strain upon the charity. As regards income, the charity has developed a diversified range of financial resources to help mitigate this risk and benefits from a large pool of volunteers who willingly support the public collections and events programme. Regarding costs, there is the need to attract and retain appropriately skilled personnel in a competitive market and the ability to respond to changes in price levels generally. The financial budget is overseen by the Trustees, and financial performance is monitored on a monthly basis.

Financial internal controls include the division of duties. The risk of fraudulent appropriation of the charity's financial resources is mitigated by the requirement that all financial transactions require dual authorization.

The quality of service delivery is underpinned by qualified physiotherapy personnel, training programmes to help maintain professional standards and equipment maintenance schedules that comply with manufacturers' specifications. The Physiotherapy Manager is responsible for the maintenance of recognized treatment standards and evaluating new treatment opportunities. These measures are in place to help ensure that service delivery meets recognized standards and benefits users.

Procedures are in place to ensure compliance with the health and safety of staff, volunteers, clients and visitors to the Centre. Procedures in place include periodic fire alarm tests, Centre access security and regular maintenance of plant and equipment (including lifting equipment, and hygiene). These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

Responsibilities of the Trustees

The Trustees (who are also directors of The Berkshire Multiple Sclerosis Therapy Centre Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Section 172 Statement

In line with the duties placed on them by section 172 of the Companies Act 2006, the Trustees, as directors of the company, have acted, in good faith, in the way they consider to be most likely to promote the success of the charity and achieve its charitable purposes. This includes placing the needs of the charity's beneficiaries at the heart of all that they do and focusing on insights-led decision making. All their activities and services are coproduced with employees, volunteers and people affected by MS.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the trustees on 15 June 2023 and signed on their behalf by:

Neil Dawkins
Trustee

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. COMPANY INFORMATION

The principal activity of the charity is to aid and improve the condition of those living with Multiple Sclerosis. The incorporated charity (registered number 2270807 and charity number 800419) is domiciled in the UK. The address of the registered office Bradbury House, 23a August End, Brock Gardens, Reading, Berkshire, RG30 2JP.

The Berkshire Multiple Sclerosis Therapy Centre Limited is a private company limited by guarantee with no share capital. Each member's liability would be limited to an amount not exceeding £1 in the event of the charity winding up.

2. ACCOUNTING POLICIES

a) Basis of accounting

The accounts have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The Berkshire Multiple Sclerosis Therapy Centre meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, which are described in note 2, trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimation and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting the assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (CONTINUED)

c) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

d) Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income, receipt is probable, and the amount can be quantified with reasonable accuracy.

The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Items donated for resale through the charity's shop are included as incoming resources within activities for generating funds when they are sold. Recommended contributions from those without MS are payable on receipt of treatment and accounted for at that date.
- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.

e) Expenditure

Expenditure is recognized on an accrual basis as each liability is incurred.

Raising funds comprise the costs associated with attracting voluntary income and the costs of fundraising activities.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Charitable expenditure is reported under two sub headings:

- Cost of activities in furtherance of charity's objects – comprising the cost of professional personnel and treatment equipment;
- Support costs - comprising the cost of staff supporting professional personnel, utilities (i.e. heat, light, water, telephone) and a proportion of Centre management and office costs.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis which is intended to reflect the use of each resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 17.

NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (CONTINUED)

f) Capitalisation of Fixed Assets and Depreciation

All expenditure on items that are intended for continued use by the charity on a long term basis to generate funds and provide services to members are capitalised as fixed assets (except all IT software, and expenditure below £1,000, which is recognised in the Statement of Financial Activities in the year of purchase).

Depreciation is provided on all tangible fixed assets in use, at rates calculated to write off the cost of each asset, less estimated residual value of each asset over its expected useful life, as follows:

Buildings	- over 50 years
Fixtures, fittings & equipment (other than IT equipment)	- over 10 years
IT Equipment	- over 5 years

g) Stocks

Stocks are stated at the lower of cost and net realisable value.

h) Fund Accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the Trustees when there is a specific and authorized commitment on the part of the charity. The level of the fund is set to match the Trustees' estimate of the outstanding commitment at any given time.
- Restricted funds represent incoming resources in respect of which the donor/grantors concerned have specified the purposes to which they must be applied. Where attributable expenditure exceeds restricted income received, a transfer from unrestricted funds to restricted funds is made to cover the excess. Restricted income not spent in any year is carried forward in the relevant fund.

i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

j) Creditors and provisions

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (CONTINUED)

k) Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

l) Pensions

The charity contributes to the personal pension plans of employees. Contributions are charged to the Statement of Financial Activities as they fall due. Total contributions in the year were £23,482 (2021: £21,182). There were no outstanding contributions at the balance sheet date (2021: £nil).

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE BERKSHIRE MULTIPLE SCLEROSIS THERAPY CENTRE LIMITED

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2022, which are set out on pages 10 to 28.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
